To maintain the integrity of the Founding Fathers of the VVGSQ, we the current body of veterans have incorporated changes to our previous By-Laws to include and address all honorably discharged veteran's needs. Subsequently, we have changed the name of our group to the Veterans Group of San Quentin (VGSQ).

We endeavor to bring personal accountability and structure into our lives. We will continue to maintain the high standard of honor and integrity that our Founding Fathers set forth. We know that we must take responsibility for our own actions. However, it is not enough to just try and get home, but rather to live free regardless of our circumstances.

Due to the holiday season we did not have a meeting in the month of December. Sgt. of Arms Wells called the group to attention to pay honor to the United States Flag. All present were then asked to remove their hats for a moment of silence for those Missing-in-Action, those Killed-in-Action, and all other service members deployed in Iraq, Afghanistan, and around the world.

Sgt of arms called the meeting to order at 1019 h.s. Roll was called: 32 members present, 10 members were absent and 7 members had excused absence. There was a quorum. All members received the minutes from the November meeting, corrections were noted and a motion to accept the minutes passed. Each member stood and gave an account of what branch of Service they were in. And also a accountability motion to accept minutes-Robinson.

Chairman Schuhmacher welcomed our sponsors Gloria Godchaux, Terry Godchaux from Operation MOMS to the meeting And Brent Stevens. Thank you for joining us.
